Re: Arkansas Freedom of Information Act Request

Dear Mr. Sinyangwe:

The City of Fayetteville is in receipt of your Arkansas Freedom of Information Act request dated July 5, 2020.

The Arkansas Freedom of Information Act gives *Arkansas citizens* the right to inspect and/or copy certain non-exempt public records. As it would appear neither you nor the company you represent are domiciled in the State of Arkansas, the City declines to respond to your request.

The City's position in this matter is supported by a 2013 decision of the United States Supreme Court which upheld the authority of states to restrict the applicability of a state's freedom of information laws to the state's own citizens. See McBurney v. Young, 133 S.Ct. 1709, 185 L.Ed. 2d 758 (2013).

Sincerely,

A handwritten signature in blue ink, appearing to be "B. Pennington", with a long horizontal line extending to the right.

Blake Pennington
Assistant City Attorney
